For navigational safety it is important that vessels requiring entry to or egress from King Point Marina are aware of scheduled ferry services operating from Millbay.

Passage is prohibited whilst large vessels are manoeuvring in the outer harbour area.

- For vessels leaving the Marina there is a schedule of ferry movements displayed above and skippers are reminded to familiarise themselves with this information prior to planning departure.
- For vessels entering the Marina we request skippers contact “King Point Marina” on VHF Ch12 for any changes to the ferry schedule.

Impoundment level is 3.9 metres above chart datum and all times are local.

For flood prevention, the lock will be closed to traffic when the tide level outside reaches 5.6 metres above chart datum and will open again when the tide outside recedes to 5.6 metres above chart datum.

Passage through the lock is on request whilst the water level within Sutton Harbour remains higher than 3.5 metres above chart datum. If the water level recedes below 3.5 metres above chart datum passage through will be suspended until the tide level outside reaches 3.5 metres above chart datum.
